Re: Response to Concurrence Letter

Dear Mr. Jenkins:

Thank you for contacting the Washington State Department of Archaeology and Historic Preservation (DAHP). The SR 162, Puyallup River (McMillin) Bridge Replacement project has been reviewed on behalf of the State Historic Preservation Officer under provisions of Section 106 of the National Historic Preservation Act of 1966 (as amended) and 36 CFR Part 800.

We look forward to the forthcoming meeting we have scheduled with you to discuss this project. Since our evaluation cannot continue until several critical issues are discussed, we are stopping the 30-day review clock on this project for the purposes of Section 106 review.

Thank you for the opportunity to review and comment.

Sincerely,

Matthew Sterner, M.A.
Transportation Archaeologist
